	a. Private Garages, residential remodels use: Utility, miscellaneous										
	b. For shell only buildings, deduct 20 percent										
	c. N.P. = not permitted										
	The Square Foot Construction cost does not include the price of the land on which the building is built. The Square Foot Construction Cost takes into account everything from site and foundation work to the roof structure and coverings. The cost of the land does not affect the cost of related code enforcements activities and is not included in the Square Foot Construction Costs.
